## **Welcome to our 8th Annual Minneapolis Police Federation Charities, Inc. Golf Tournament.**

The tournament is a fundraiser for the Police Officers Federation of Minneapolis' charitable arm, the Minneapolis Police Federation Charities, (MPFC). The Minneapolis Police Federation Charities is a registered 501(c)3 organization, as such; donations made to MPFC are tax deductible under federal and state tax laws. Money generated from this tournament goes directly towards this charitable organization.

The Police Officers Federation of Minneapolis has always been a strong supporter of charitable organizations and has always actively supported charitable organizations. The Minneapolis Police Federation Charities, Inc. was established in 2003 by the Police Officers Federation of Minneapolis to receive charitable donations and make financial contributions to charitable causes. The Minneapolis Police Federation Charities is governed by a board of directors that determines the nature of the organization's fundraising events and the organizations or causes to which the MPFC will contribute funds.

Funds raised by the MPFC are donated to charitable organizations and causes in the Twin Cities. In the past the MPFC has made monetary donations to local charities including the MN Special Olympics, Minnesota Law Enforcement Memorial Association, and the Alzheimer's Association, to name a few. In addition, we made small contributions to a number of charitable events at the request of our members.

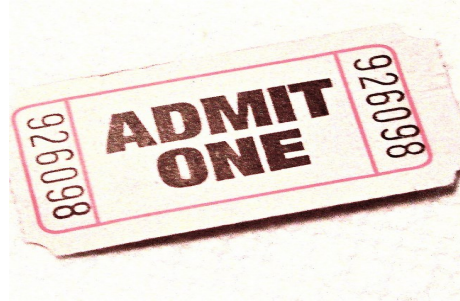

The golf tournament is the MPFC's largest fundraiser. We would like to thank all of our sponsors for their generous support. Without the support of our sponsors, we would be unable to make this tournament happen. We truly appreciate your support. Finally, we would like to thank everyone for coming out to golf today and supporting the MPFC.

**Thank you for your participation and we look forward to seeing you at future fundraising events!**
